Education

Bachelor of Engineering (B.E) | Vivekanand Education Society's Institute of Technology (Mumbai – 400074) | May 2023 – Present (Expected May 2027)

- Pursuing Automation and Robotics Engineering with GPA - 7.5 out of 10 (Upto Three Semesters)

Technical Skills

- Programming Technologies - Python, JavaScript, CSS and HTML
- Libraries and Databases - React, NodeJs, Express, Bootstrap, Tailwind, Flask and MongoDB
- Version Control Systems and Deployment Platforms – Git, GitHub and Vercel

Soft Skills

- Time Management and Teamwork
- Creativity and Communication

Projects

SilverCareAI – Your Personal Well-being Assistant (GitHub | Vercel)

- SilverCare-AI is a voice-first AI assistant built for seniors, addressing tech barriers like complex interfaces, memory issues and vision or motor impairments. With voice-enabled chat, smart reminders, step-by-step onboarding and an accessible UI, it offers a personalized, easy-to-use and empowering digital companion for independent living.

DineEase – Hotel Management App (GitHub | Vercel)

- Developed a MERN stack-based hotel food ordering system with dynamic cart, real-time order tracking and secure admin login. Included admin panel for menu/order management and implemented efficient state management for smooth experience along with responsive design.

Teditor – Image Processing Web App (GitHub | Vercel)

- Developed a web-based image processing app using Flask and PIL libraries, allowing users to apply various editing operations. It is a multi-technology project that seamlessly integrates JavaScript, CSS and HTML for the frontend with Python for the backend in a single application.

Experience

Full Stack Web Developer Intern | Business Web Solutions | July - August 2024 (2 months)

- Completed remote internship in BWS, located at New Delhi. Worked upon skills in building web applications across front-end and back-end. Created dynamic Single Page Applications.

Achievements

Runner Up | UBI x VESLIT Essay Writing Competition | October 2024

- Awarded 'Runner-Up' prize for the essay writing on the topic 'Cultural Integrity for Nation's Prosperity' held by Union Bank of India and organized by the VESLIT Circle of Institute.
